TO THE POINT

Lt. Col. Erika Chute

COMMANDER, 355TH FORCE SUPPORT SQUADRON

What has been your favorite part of being commander of 355 FSS?

Leading our Airmen! They are hardworking, smart, creative, have great attitudes, and I learn from them every day.

What would you like to say to the Airmen of Davis-Monthan and their families?

THANK YOU for coming into our FSS facilities, participating in our events, and sharing your feedback with us. We continue to look for new and different ways to enhance our events and programs here at DM, and your feedback helps us in that endeavor. Thank you again for giving us the opportunity to provide full spectrum support to you and your families, it truly is our honor to serve you.

What will you miss most about Tucson? The sunsets!

What's your favorite cactus? Prickly Pear

Opening May 2019

For many years the dining options on base have been limited to Headpin Cafe at DM Lanes, Club Ironwood's lunch buffet and the food court at the Base Exchange. That's all about to change with the addition of Stripes Cafe at Club Ironwood!

Whether you need to grab breakfast before work, or a wrap or salad for lunch, Stripes Cafe is the perfect spot for a light meal.

And of course, that bagel will go down easier with a steaming cup of delicious coffee. We are proud to announce that we will be serving Black Rifle Coffee! Based out of Salt Lake City, UT, Black Rifle is a "premium small-batch, roast-to-order, veteran-owned coffee company." From drip coffee to handcrafted beverages, you will have no problem finding your new morning go-to.

The new Stripes Cafe features an industrial feel, a great view of the patio, and a celebration of enlisted heritage!

Stripes Cafe will be proudly pouring...
