

Welcome to Davis-Monthan AFB!

Student achievement is a shared responsibility. It takes the commitment of commands, schools, and community to help students excel. Arizona offers numerous education opportunities for students in grades Pre K—12.

School Liaison Program Office Services

- Serves as installation point-of-contact for all local military child education matters
- Advocates for the educational needs of military children
- Assists military families with information, referral, resources and advocacy regarding local school districts and other education options
- Ensures a communication link with inbound or outbound family members for educational issues
- Develops working relationships with local schools and other agencies that support education services to military-connected students
- Facilitates communication between local school authorities and senior leadership on the base
- Educates teachers, counselors, and administrators on unique issues affecting military children
- Provides for the delivery of special needs family support services in coordination with Exceptional Family Member Program (EFMP)

Helping Students Succeed

PUBLIC SCHOOLS Open Enrollment—allows parents to select a school in a different area, however it is the responsibility of the parent or legal guardian to transport the student to and from school.

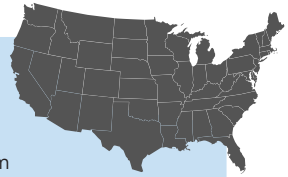

PRIVATE SCHOOL is a choice for parents and there are school tuition organizations (STO's) that can assist with scholarships. Visit: www.schools.pima.gov/schools/private-schools for more information. Empowerment Scholarship Account (ESA) is funded by state tax dollars to provide educational options for qualified Arizona students. Visit: www.azed.gov/esa

HOME SCHOOL is an option to parents within Pima County. Contact the Pima County School Superintendent's Office, 130 W Congress, 4th Floor, Tucson, AZ 85707-1332 for details go to www.schools.pima.gov/schools/home-school-information for more information.

CHARTER SCHOOLS are public, state-funded schools and cannot charge tuition. They receive state funding like those of the other Public School Districts. Charter schools contract with the state, or a district, to provide an education service. Charter schools were created to provide additional academic choices for parents and students.

My Schools Tucson free local tucson school locator.
www.myschooltucson.org

Interstate Compact

The Military Interstate Children's Compact provides for the uniform treatment of military children transferring between school districts and states and has been signed by all 50 states. Most of the education issues listed above are covered by the compact which in turn should help reduce some of the stressors involved with moving to a new school. For more information on the compact visit **www.mic3.net**
